“In the past century FFI has consistently saved species from extinction and protected habitats from destruction. Their solutions have always been practical, efficient and sustainable in local circumstances.”

Sir David Attenborough,
FFI Vice-president
Fauna & Flora International

Fauna & Flora International (FFI) saves species from extinction and habitats from destruction, whilst improving the livelihoods of local people. Our guiding principles are to work through local partnerships, act as a catalyst for change, make conservation relevant and base decisions on sound science. Founded in 1903, FFI is the world’s longest established international conservation body; our conservation work, and impact, spans the globe.

The Opportunity

FFI is seeking an experienced Financial Controller to have overall responsibility for the day to day accounting function of FFI to ensure the department delivers a high standard of service to the global organisation, and operates in accordance with established accounting principles and industry best practice. As well as leading the preparation of the organisation’s annual statutory accounts, this role will also be responsible for managing the annual external audit process.

You will be CCAB qualified or equivalent, have a strong technical understanding of current UK GAAP, FRS 102 and Charity SORP and have proven experience preparing statutory accounts and lead schedules and managing external audits. As a member of the UK-based Finance Team, working closely with overseas Finance Teams, your strong communication, interpersonal skills and customer focus will enable you to build effective working relationships at all levels across the organisation.

You will enjoy working in a dynamic and fast-paced environment, where the ability to manage a variety of concurrent tasks is paramount. You will be comfortable researching technical financial guidance and documenting findings. In return, we offer the opportunity to work for a ground-breaking organisation at the forefront of global conservation, with generous pension contribution, attractive annual leave allowance, life insurance and salary exchange schemes.

Our offices are located in The David Attenborough Building in central Cambridge, just a few minutes’ walk from glorious historic buildings and museums, the picturesque River Cam, the central market and shopping centre, and a host of cafés and restaurants.

Job Description

Job Title: Financial Controller

Reporting to: Finance Director

Line Manages: Financial Accountant
Finance Officers (x2)

Key Internal Relationships: Overseas-based Finance team members
Programme Team Finance Officers and Administrators
Heads of Department/Team Leaders/Senior Management Team
Fundraising team members

Purpose of the role

To manage the day to day accounting function of FFI to ensure the department delivers a high standard of service to the global organisation, and operates in accordance with established accounting principles, industry best practice and FFI’s financial policies and procedures.

To take ownership of the month-end process, ensuring that all balance sheet reconciliations are completed on a timely basis.

To develop and update FFI’s global financial policies and procedures and to ensure that FFI’s internal controls are robust and fit for purpose.

To lead on the preparation of the annual financial statements and managing FFI’s external audits.

Specific Responsibilities:

Financial Management

- Ensure that sound processes and procedures are in place to ensure financial transactions are recorded in an accurate, timely and complete manner, in accordance with established UK
Generally Accepted Accounting Practice (UK GAAP) and FFI’s financial policies and procedures

- Manage the month end process, ensuring that all balance sheet reconciliations are performed on a timely basis
- Oversee the maintenance of the accounting ledgers within FFI, ensuring regular reviews and reconciliations are performed, and that transactions are properly evidenced with supporting documentation
- Oversee the monthly reconciliation of Fundraising income between the Fundraising CRM and FFI’s accounting system
- Together with the Finance Manager, Reporting & Systems and the Finance Business Partners, assist in the roll out of additional finance system functionality to FFI branch offices

Treasury

- Monitor and report on the global cash position of FFI, and maintain working capital forecasts and mitigate exchange rate risk where appropriate
- Maintain FFI’s bank register, ensuring that signatories are kept up to date, and that appropriate security levels are in place
- Manage FFI’s inter-entity funds transfer process
- Maintain day-to-day relationships with FFI’s bankers and other external advisors

Statutory & Compliance

- Manage the annual external audit process for the consolidated FFI entity, including preparation of all supporting schedules and statutory disclosures
- Manage the annual US compliant audit, including overseeing the preparation of all supporting schedules
- Complete necessary statutory returns and filings in an accurate and timely manner, in particular P11ds and VAT returns, and ensure returns reconcile to the finance system
- Coordinate and provide reports and supporting documentation required for grant/funding audits, when required
- Review overseas branch statutory accounts, where applicable

Internal Controls

- Develop, maintain, improve and communicate policies and procedures for FFI employees relating to Finance, Transaction processing and Treasury, and lead on their implementation across FFI’s operations globally, in accordance with local legislation
- Ensure procedures, policies and controls are in place (and documented) so that all financial transactions, including those of FFI’s overseas branches and subsidiaries, are recorded accurately, completely and in a timely manner, and are consolidated in accordance with accepted accounting practice
- Implement appropriate financial controls over payments/funds transfers and bank transactions in particular, as set out in FFI accounting policies and procedures, ensuring timely and efficient payments to suppliers, partners, employees and branch offices
- Working with other Finance Team members, provide advice and support to Programme teams on financial management, internal financial controls and financial systems and procedures
Other

- Provide line management to direct reports through objective setting, continuous performance management, annual appraisals, training provision and personal development planning to develop individuals and their functions
- Review team roles, responsibilities and capacity and develop the team in accordance with business need, budget and Finance team priorities
- Remain up-to-date with key technical accounting developments, including statutory disclosures
- In conjunction with other Finance Team members, ensure that the Finance section of MyFFI is maintained and up-to-date
- In conjunction with other Finance Team members, ensure that new staff are inducted and current staff are trained and aware of FFI’s accounting policies and procedures
- Carry out any other reasonable duties which are consistent with the post and the aims and objectives of the role and business need

Duties may be altered, reasonably added or delegated from time to time to reflect changes within the organisation’s activities and structure.
